# COMPANY PROFILE

KANGLONG ELECTRON. TECH. CO., LTD.

Your Trusted Partner in Professional  
Radio Communication

Based in **Quanzhou, China**—the global hub of radio communication—**KANGLONG RADIO** is a premier manufacturer with **20+ years** of expertise in the R&D and production of high-performance two-way radios.

## The KANGLONG Advantage

- **Manufacturing Excellence:** Equipped with advanced SMT lines and high-precision testing labs.
- **OEM/ODM Expertise:** Full-service customization from initial ID design to final packaging.
- **Certified Quality:** CE/ FCC/ RoHS/ ISO 9001.
- **Global Presence:** Trusted by partners in 30+ countries across security, logistics, and construction.

## Quality and Service

At **KANGLONG RADIO**, quality is our lifeline. We combine 20 years of manufacturing expertise with strict QC processes to deliver reliable two-way radios that perform in the toughest environments—from construction sites to security patrols. We don't just build radios; we build trust through **certified excellence**.

## Our Service Edge

- **Customization:** Tailor-made communication solutions to fit your specific market needs.
- **Global Logistics:** Reliable shipping and documentation support for partners in over 30 countries.
- **After-Sales Guarantee:** Responsive warranty service and technical training to keep your business running smoothly.
